

ENHANCED PRODUCTIVITY:

NXT5000 is perfect for printing large runs because it personalizes color cards in record time: up to 225 cards per hour for singlesided printing and 140 cards per hour for dual-sided, allowing you to save time and increase productivity.

PROFESSIONAL PRINTING:

NXT5000 printers feature 300 dpi photographic resolution and edge-to-edge printing for optimum print quality. Helping your cards convey a professional image of your organization.

IDEAL FOR:

- Employee badges
- Access Control badges
- Student IDs
- Healthcare cards
- Event Passes
- Multi-application cards
